Thirty Everyday Words To Unscramble, In Five Themed Sets

Each row is an everyday word with its letters shuffled. The set title tells you the theme. Every answer was checked against a list of more than 170,000 English words: each shuffle makes exactly one word.

How To Play

1. Read the theme at the top of the set.
2. Rearrange the grey letters to make one word on that theme, using every letter once.
3. Write it in the empty squares beside them.
